## What is Fair Trade?

Fair Trade is an approach to business and to development based on dialogue, transparency, and respect that seeks to create greater equity in the international trading system.

## Who is the Fair Trade Federation?

Fair Trade Federation members work with artisans and farmers in developing countries. By selling their products in North America, Fair Trade Federation members are improving the lives of people around the globe.

Federation members are fully committed to Fair Trade. They dedicate their businesses to creating positive change for the poorest of the poor and to adhering to nine Principles:

- *Developing transparent and accountable relationships*
- *Building capacity*
- *Promoting fair trade*
- *Paying promptly and fairly*
- *Supporting safe and empowering working conditions*
- *Ensuring the rights of children*
